The Honorable John Marshall Butler  
United States Senate  
Washington 25, D. C.

Dear Senator Butler:

In Mr. Dulles' absence, I wish to acknowledge receipt of your letter of 6 August 1957, concerning Mr. [redacted] of [redacted] an employee of this Agency.

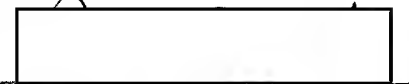

Some time ago, Mr. [redacted] submitted his name as a candidate for a certain position in the scientific field with this Agency, which is graded at a higher level than the position he now occupies. His application was considered along with those of other employees who had applied for that position. He was personally interviewed by the Deputy Director of the office concerned, and his background and qualifications were thoroughly reviewed by a board consisting of three senior officers of that office. The board reached the unanimous decision that there were at least three other candidates more highly qualified for the position than Mr. [redacted], and accordingly it is our intention to fill the position with the individual who was determined to be most highly qualified.

The above procedure is in accordance with our regular selection methods, and I believe that the decision in this case was sound and in the best interests of the Agency.

Mr. [redacted] has recently applied for another position in the Agency in the scientific field. We appreciate very much your endorsement of his capabilities, and you may be assured that his application will receive every consideration.

Sincerely yours,

Signed

C. P. CABELL  
Lieutenant General, USAF
